

Accessibility Statement

Compass Health

Effective Date: January 2025

Our Commitment to Accessibility

Compass Health is committed to ensuring digital accessibility for all users, including individuals with disabilities. We are continually improving the user experience for everyone and applying relevant accessibility standards to ensure our website, digital platforms, and services are accessible and usable.

Accessibility Standards

Compass Health strives to conform with:

- **Web Content Accessibility Guidelines (WCAG) 2.1, Level AA**
- **Americans with Disabilities Act (ADA) Title III**
- Applicable federal and state accessibility regulations

These standards help make web content more accessible to individuals with visual, auditory, motor, cognitive, and neurological disabilities.

Accessibility Features

Our website and digital platforms are designed to support accessibility, including but not limited to:

- Compatibility with screen readers and assistive technologies
- Keyboard-only navigation support
- Logical page structure with proper headings and labels
- Alternative text for meaningful images
- Sufficient color contrast for text and interactive elements
- Resizable text without loss of functionality
- Accessible forms and error identification

Ongoing Efforts

Accessibility is an ongoing effort at Compass Health. We regularly:

- Review our website for accessibility barriers
- Incorporate accessibility best practices into new features
- Train our team on accessibility awareness
- Work with developers and vendors to improve accessibility compliance

Third-Party Content

Some content or services on our website may be provided by third-party platforms. While we strive to work with accessible providers, we cannot guarantee the accessibility of third-party content outside our direct control.
